## Epoque Signature Cocktails

### Passion Basil Smash

55 lei

The creator of the classic Gin Basil Smash said “*it’s better to have too much than not enough basil in this drink*” and we totally agree. We also wanted to make the drink a bit more summer appropriate so besides the basil, we believe that too much passion fruit is better than not enough in our version of the drink!

*Gin, lemon, passion fruit, basil*

### Chocolate Old-Fashioned

55 lei

The All-Father of all drinks, this is one of the very first cocktails ever created which gave the kickstart to cocktail culture all around the world. Now there’s not too much you can do to make it better, but we think that chocolate always does the trick!

*Burbon, Angostura Bitters*

### Popcorn Sour

62 lei

Ever thought that you’d have popcorn outside the movie theatre? Better yet have it in a drink? Well we’ve come up with the solution and created a popcorn flavoured drink using creamy popcorn syrup that goes amazingly well with Johnnie Walker Black Label thus resulting into a delicious cocktail that you won’t be able to have enough of!

*Whiskey, lemon, popcorn, Angostura Bitter*

### Heart Of Ten Martini

55 lei

This refreshing drink, brings out the zesty & fresh citrus heart of the Tanqueray No. TEN Gin, with bold grapefruit & floral honey notes this cocktail is the perfect answer to a hot summer’s day.

*Gin, grapefruit, honey, lime*

Dutch Strawberry Mule 55 lei

A classic drink like the Mule is a must have on any cocktail menu but by now, probably everyone has had this refreshing drink and so we thought to add a touch of strawberry puree to give it a fruity twist. So, if you like fruity refreshing drinks with a bit a spice kick from the ginger ale, then this is the one for you!

*Vodka, strawberry, lime, ginger beer*

Zacapa Coffee Martini 92 lei

We all know how delicious the Espresso Martini is but having this drink with Ron Zacapa 23 just takes it to a whole other level. The amazing cocoa, toffee and tropical banana notes give this twist of the Espresso Martini so much more complexity and depth.

You'll just have to taste it to see what we mean!

*Zacapa rum, espresso, ristretto liqueur*

Creole Highball 55 lei

If you do not like Whisky, this is a drink that will totally change your mind about this amazing spirit. A refreshing Whisky Highball that blends the flavour of the Johnnie Walker Black Label deliciously with a grapefruit flavoured cordial and aromatic bitters that give out a pinch of spice, all topped up with soda to even make it low ABV.

*Whiskey, timur berry, bitter*
